

Closed Case Information

Cases filed in the United States Bankruptcy Court for the Eastern District of Tennessee are retained for a period of time after they are closed, and are then shipped for storage to the National Archives & Records Administration (NARA) for the Southeast Region (Atlanta, Georgia). The NARA accepts copy requests for documents on bankruptcy cases and adversary proceedings. Ordering copies directly from the NARA is generally the quickest and least expensive way in which to acquire copies of documents in archived cases. Phone orders are not accepted, but you may request copies by mail, fax or online using a major credit card.

For information and instructions on how to order copies directly from the NARA, use the link provided to access the NARA's website <http://www.archives.gov/southeast/public/court-records.html>. The request form is in PDF format and you will need the free Adobe Acrobat Reader to view the document. The Adobe Acrobat Reader can be obtained from www.adobe.com.

Before ordering copies from NARA: You will need some basic information concerning the case, including the case number, transfer/accession number, location number and box number. To obtain this information, contact the appropriate United States Bankruptcy Court Clerk's office.

Ordering copies of cases and documents that are not available through the NARA: You will need to contact the United States Bankruptcy Court Clerk's office. If you are a registered PACER user, you may access copies of these documents directly through PACER at <https://ecf.tneb.uscourts.gov>
